Powerful Impressions with Infinite Brand Value...

## Enhanced Experience with AR Technology

Our 2026 Catalogue is more than just pages of products—it's an interactive experience. With AR technology, every product comes to life at your fingertips. Simply scan the QR code beside an item, and instantly explore its 3D model in real-time.

From every angle, up close or in your space, you can visualize the product as if it were right in front of you. This innovative feature ensures you make confident choices and experience the true look, feel, and functionality of our corporate gifts—before they even reach your hands.

We've combined design, technology, and con-

venience to create a catalogue that's not only informative but also engaging and future-ready.

- See the product from all angles
- Make faster, more informed decisions
- Understand the branding and design details better

How AI works on Gifts and Promotional Product Items?

It added value to the item as its optimum feature such as

- Recording that creates minutes of meetings, speech, presentation, key points or others
- Translating one language to another

## NFC TECHNOLOGY

#### All it takes is a tap.

Every day millions and millions of people use NFC technology to connect to things and the world around them. It's the super-fast and secure way to pay for things, ride the train, unlock a door, start your car, and even connect to the brands we all love.

#### What is NFC and how does it work?

NFC, or Near Field Communication, is a short-range wireless technology that enables secure communication between devices located just a few centimeters apart. It operates at 13.56 MHz for fast, simple data exchange with a tap.

#### **ENGAGE IN JUST 1 TAP!**

Share your contact or data to your clients in just a tap.
